

CHICAGO CHEETAHS

Here's why a high-level 10U player belongs in a Cheetahs uniform:

At the Chicago Cheetahs, we don't just build great softball players—we build confident, competitive young women ready to lead on and off the field. Joining the Cheetahs at 10U means stepping into an elite training environment where talent is nurtured, work ethic is celebrated, and high standards are the norm.

1. Top-Tier Coaching and Development

Our coaching and training staff brings years of experience from high-level travel, collegiate, and professional softball. Every athlete gets personalized attention to refine fundamentals, increase softball IQ, and develop advanced skills early.

2. Elite Competition Year-Round

We play a competitive schedule against some of the best teams in the Midwest and nationally. Your daughter won't just play more games—she'll play meaningful, challenging games that push her to get better every weekend.

3. Proven Path to the Next Level

The Cheetahs organization has a long track record of helping athletes succeed at every stage—from youth travel to college recruiting. Being part of our program early puts your daughter on a clear path toward long-term success.

4. Culture of Commitment and Character

We believe in playing the game the right way—with grit, teamwork, and respect. Your daughter will grow in confidence, leadership, and resilience in a positive but competitive team culture.

5. Family Atmosphere with a Big Vision

Our 10U team is more than just a roster—it's a tight-knit family of motivated players and supportive families. And as a Cheetah, your daughter will be part of a larger organization with a strong name in the softball community and a clear vision for excellence.
